KEY FEATURES OF NHSO ADMINISTRATION

Key features of NHSO administration are policy design for the benefits package, budgeting, design and management of the provider payment method, billing and clinical auditing, quality assurance and consumer protection. There are systems for registering beneficiaries and the health care providers.

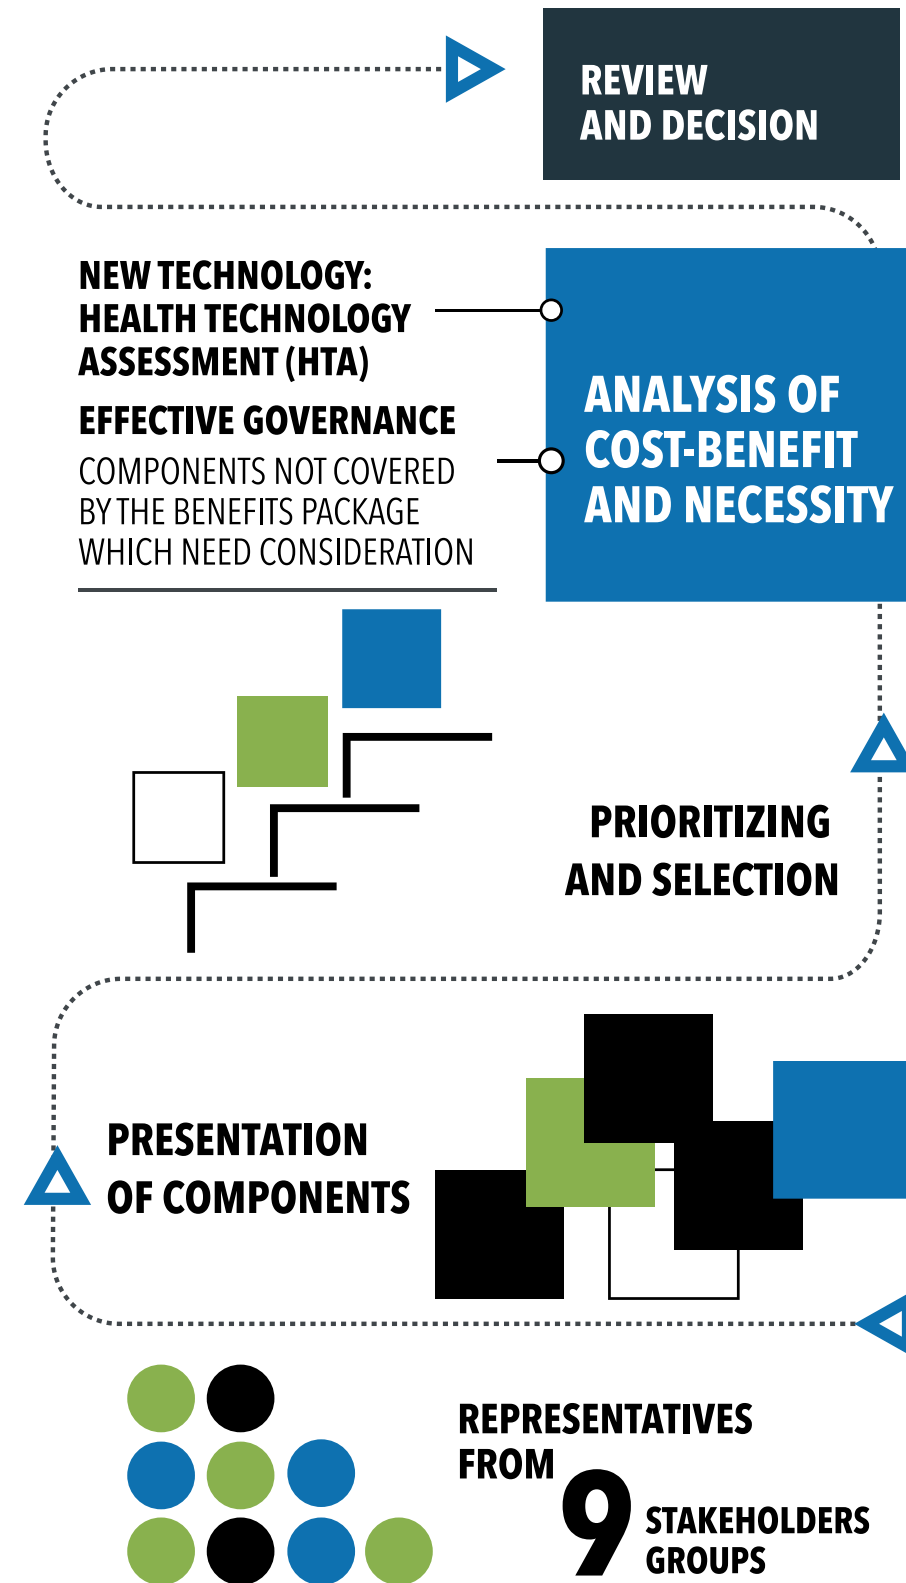

SUPPORTING SYSTEMS

Supporting systems are governance/governing bodies, laws and regulations, policy formulation, administration, IT, human resources management, and monitoring and evaluation.

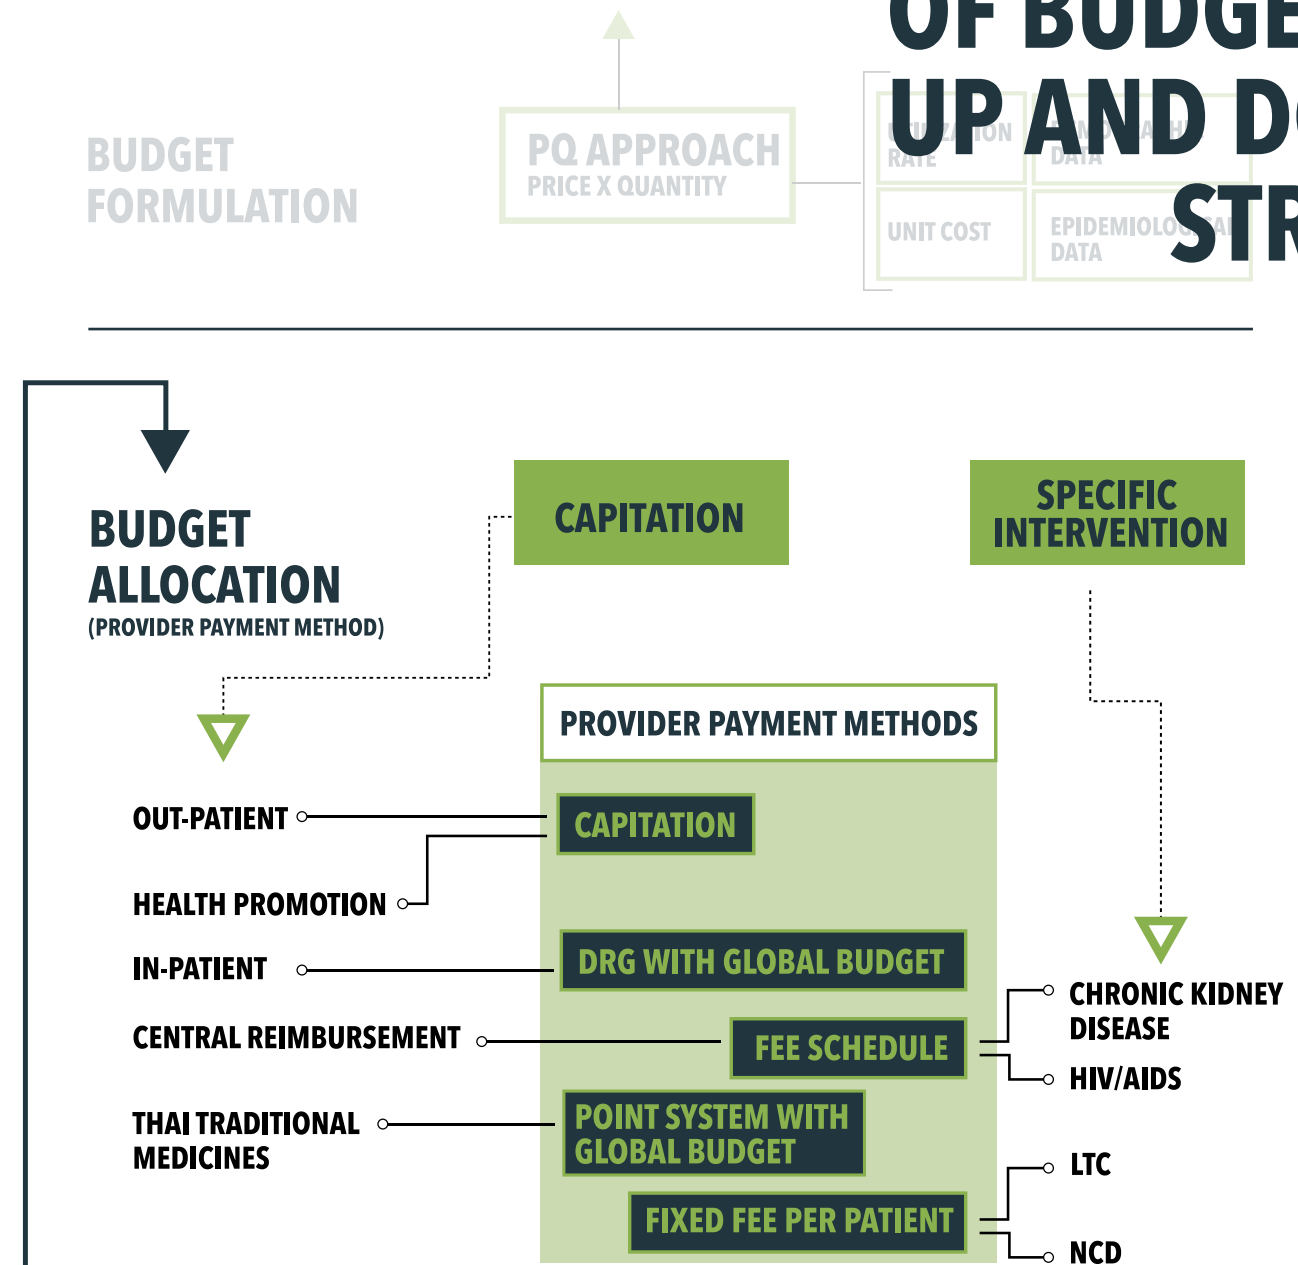

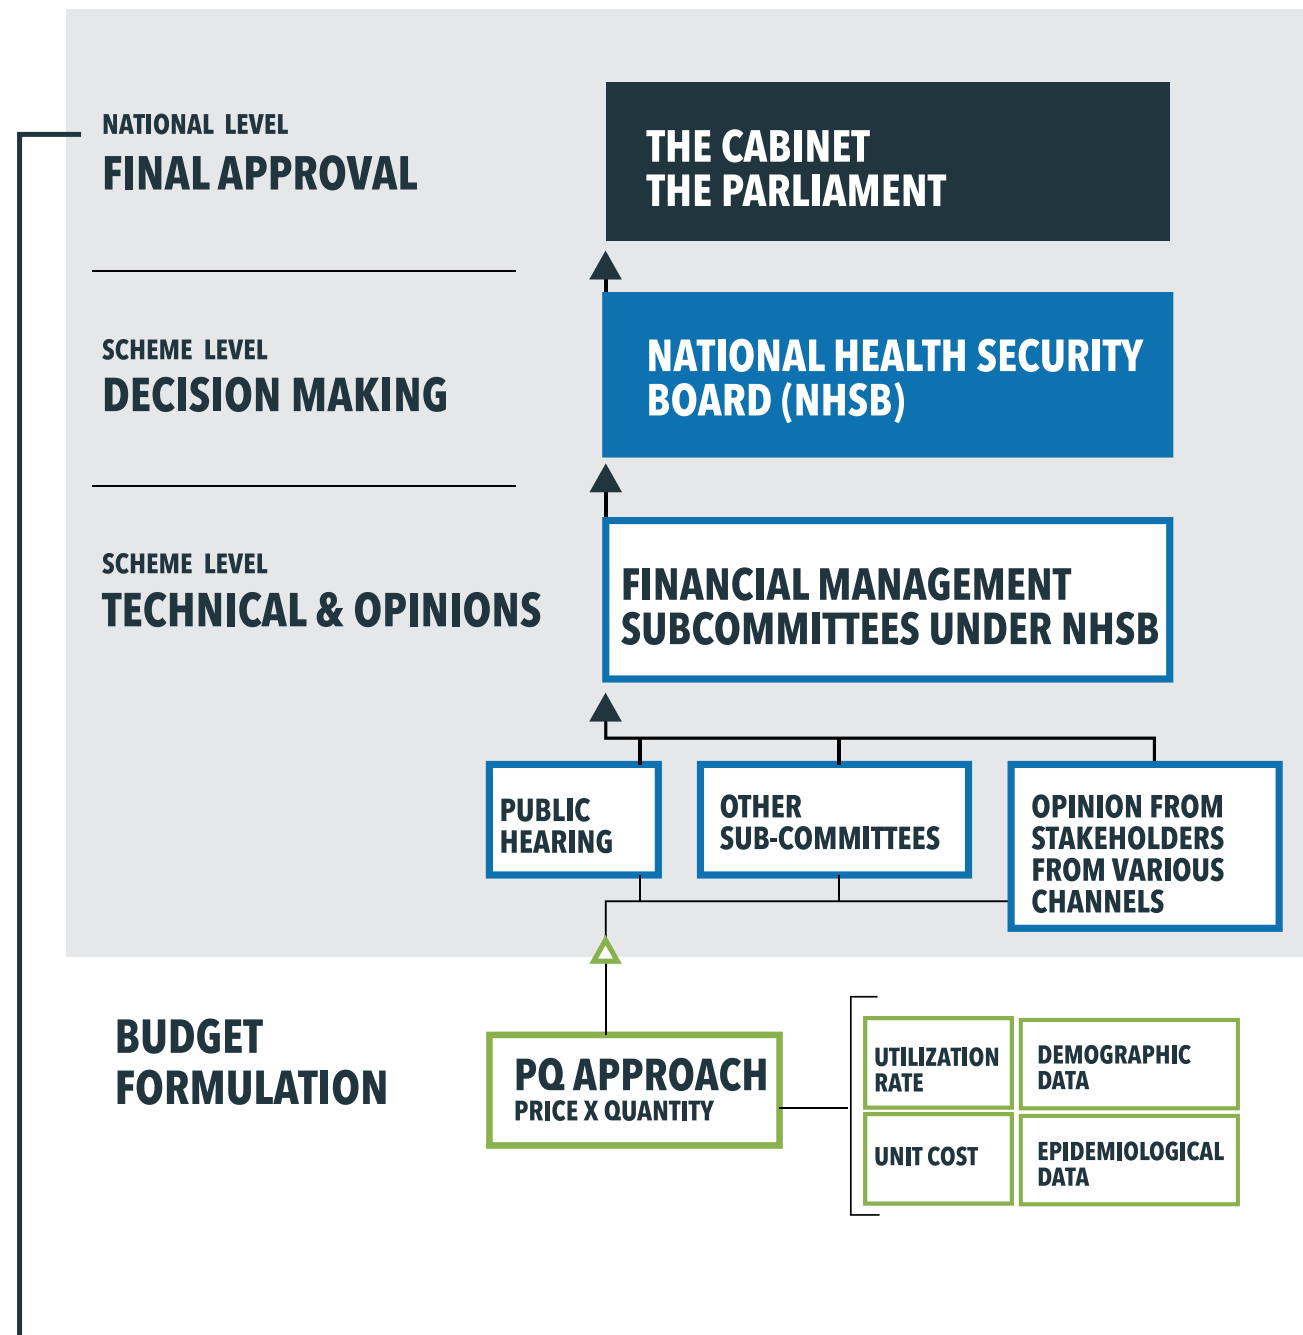

THE PROCESS OF DEVELOPING THE BENEFITS PACKAGE OF THE UCS

The process of formulating the benefits package involves all stakeholders in all sectors with empirical evidence to be used for making choices and decisions.

THE PROCESS OF BUDGETING UP AND DOWN STREAM
